1986: A YEAR OF SILVER AND GOLD AT MHS

*"Make new friends and keep the old . . .
One is silver and the other's gold."*

Old and new alike helped make 1986 a year to remember at Marysville High School. Physical changes — like the new benches in front of the school and the removal of the old school board office provided quite an improvement by themselves.

We are also pleased to welcome five new faces to the teaching staff: Ms. Toland — guidance, Mrs. Gerber — science, Mr. Ferguson — math, Mrs. Carlson — clerical, and Mrs. Kinsey — French and Spanish.

Cooperation and caring was also a large facet of life at MHS this year. On May 25 the FFA and many other students joined the Hands Across America line near London, Ohio to show their support for the needy here in the United States, and we all experienced a moment of silence when we heard of the space shuttle tragedy over the loud speaker.

Yet even with all the "new, improved" we still managed to hold on to the "old, beloved" — cheering at pep rallies and football games, running for student council, learning new skills, carving our names on the bench in the senior locker mall — all of the old favorites.

On the following pages of the 1986 Key, we will present to you this marvelous combination of old and new . . . We hope you enjoy it —

FADS SET THE STYLE IN 1986

Starting at the top: Jodie Mathews, Dan Smith, and Tiffany Morrison, sport the "natural" look in their hairdo and on the bottom if you weren't sporting "tennies" or "flats" you were definitely not "in."

Lynnette Scheiderer, on the left and Susan Caraway, on the right display the "skin-tight" bottoms while Melissa Ballmann in the center shows the textured type hose that go with skirts.

Divina Bymaster Michael sports the newest in leathers while — if you really want to get in the "swing" of things you may join Marcia Andrews as she does her Tarzan thing.

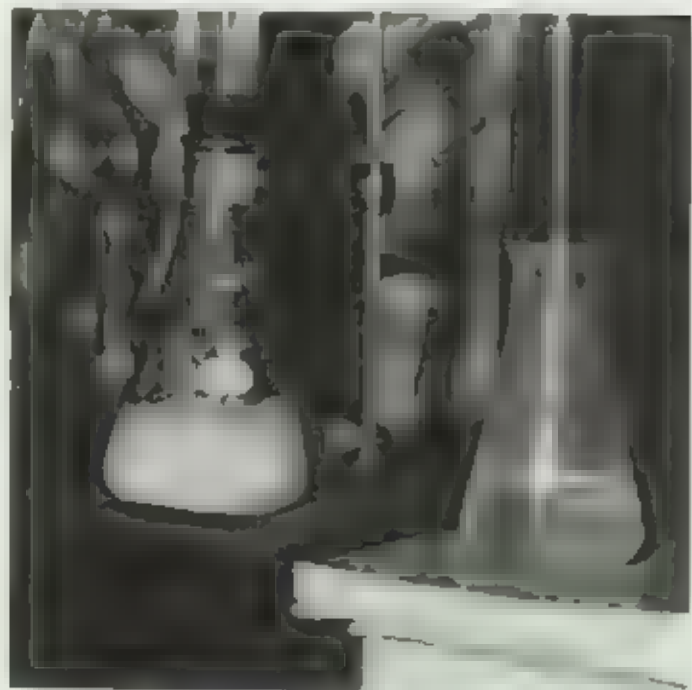

On the male side — if you wanted to be "in" it was sport coat time. As Connie Stults shows — get one of Dad's oversized shirts, put a belt around it and you have a new shirt

Everywhere you look it's prints or paislies or you could pull on your pajama-sweats and swing it to school just any "ole" way

50's DAY

HOMECOMING 1985

Homecoming is float time at MHS. The theme for the floats this year was Fairy Tales and here we see MHS's version. The seniors started with the Old Woman Who Lived in a Shoe. The juniors had their version of Humpty Dumpty who knocked Big Walnut off the Wall. The sophomores showed how the Monarch (who was the big bad wolf) blew down the house of the Little Pigs. The freshmen showed how Jack, who was nimble and quick, jumped over the Big Walnut candle stick.

All the hoopla and all the fun led up to the main event, the big game. The players raced on the field as the crowd roared while the cheerleaders extolled them to a feverish pitch. But this was not the Monarchs' night. For the first time in four years the mighty Monarchs were defeated in the homecoming game. It was a mighty effort. A valiant try.

MHS successfully performed the well-loved musical, "The Sound of Music" under the direction of Mrs. Delores Winters with choreography by Miriam Carson. Taking place during the second world war, this play is full of suspense over the German invasion of Austria, and is also a warm love story. Debbie Koper, as Maria, portrays a young girl torn between her love for the Captain Von Trapp, Matt Michel, and her desire to become a nun. The Captain, however, must evade the German navy in order to preserve his love for Maria and for Austria, his homeland

AFTER PROM 1986 Las Vegas Casino Style

The after-prom this year was modeled after a Las Vegas casino. Students were given a stack of fake money when they registered at the door. They then could take a chance at the gambling tables, winning or losing their fake money, and at the end of the evening could use this money to purchase the door prizes at an auction.

Marysville High School is truly proud of its outstanding cheerleaders. They were supervised this year by Mrs. Tammy Hoehn. The cheerleaders were responsible for "fining up" the enthusiasm of the students at pep rallies and on spirit days and the football and basketball crowds. They surely did an excellent job!

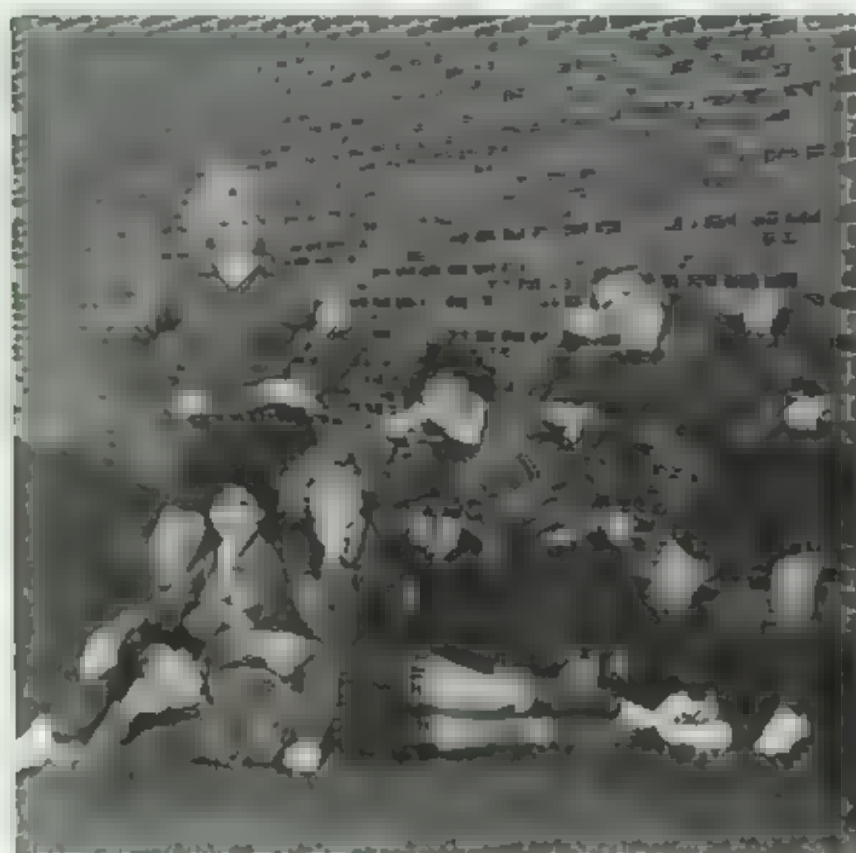

The JV and Freshman cheerleaders

were very deserving of the numerous awards each squad earned at camp. The Varsity cheerleaders were competitive at camp and the Ohio State Fair. As a result, they won many awards. The squad's impressive achievements prove why this high school is so proud of them. Congratulations! and good-bye to the seniors.

M FOOTBALL — LOOKING

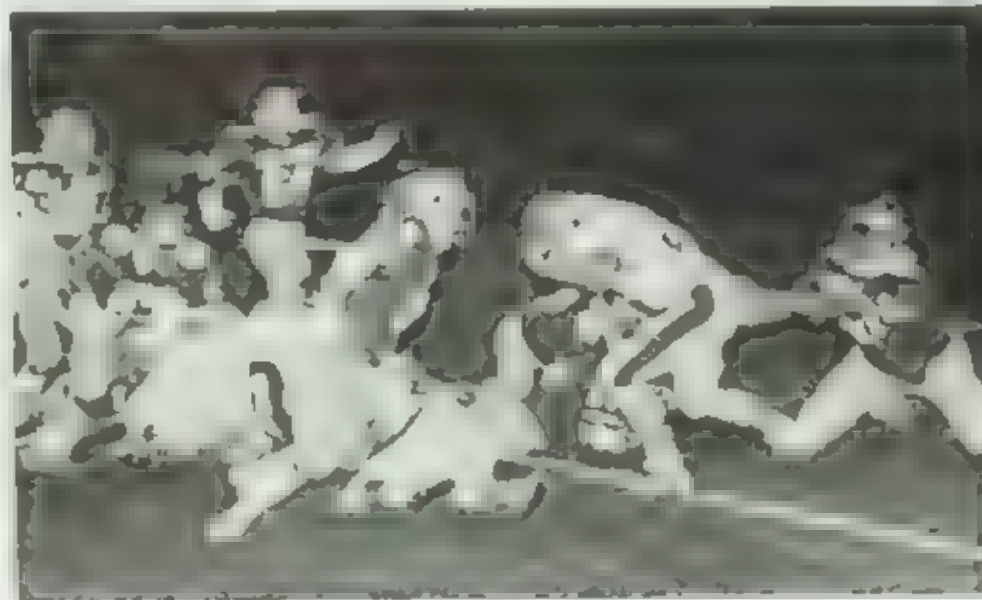

This year's football team proved conclusively that winning each game of the season is not the most important mark of the successful football team. Victory was always uppermost in the minds of all team members, but when the glory of victory barely slipped through their fingers, they fought on by relying on spirit, determination, and cooperation to win the respect of both the school and community.

The Lady Monarchs, under head coach Suse Norris and assistant Coach Russell, put on a late season surge, winning 14 of their last 14 matches to finish at 15-8 overall.

The team placed second in the Central Buckeye League Buckeye Division with an 8-3 league mark.

Senior Amy Black took most of the awards for the MHS players, including Most Valuable Player. A second-year letter winner and co-captain, Black also earned the Serving Award, Hitting Award and was recognized for being selected to first team All-CBL and first team All-District.

Senior co-captain Angie Howard received the Setting Award along with her second varsity letter and she was recognized as a first team all-CBL selection.

Junior Rhonda Ianni, a second-year letter winner, won the Passing Award and was a second team all-league pick. Junior Connie Stults lettered for the first time and was voted Most Improved on the squad.

Other second-year letters went to juniors Kristy Trees, Amy Michael and Jill Shumway. Sophomore Jodie Hyland was given her first letter.

After a runner-up finish in the 1984 golf tournament, the Monarch linkmen kept up their consistent performance in 1985. The team finished fourth in the state tournament and won several others, including the Princeton Classic. The Marysville team finished with an overall record of 90-8-1. Senior Derek Kinzer, a four year letterman, and junior Troy Wilson were both Co-captains and all-league honorees. Wilson, Kevin Corbin, and Jim Keilholz earned their third year letters and Rajb Roychoudhury received his second. Jim Keilholz was also chosen as most improved player.

Marysville's Junior Varsity record was 14-2. First year lettermen were juniors Joe Pack, and Chris Schimmel, and senior Erin Higinbotham.

The Monarchs were 10-0 in dual meets this season under head coach Bob Williams and assistant Len Andrews. Among their tournament finishes were a championship in the Marion Pleasant Invitational, a second place effort in the Central Buckeye League Meet and they were third in the AA Central District meet.

Senior Captain Troy Nicol was honored for leading the squad in takedowns after establishing a new single season school record with 89. The previous record was set last season by Chadd McGlone with 87.

Senior Captain Sonny Green, carried home the most victorious awards. He finished with a 31-3 record and was third in the state meet at 145 lbs.

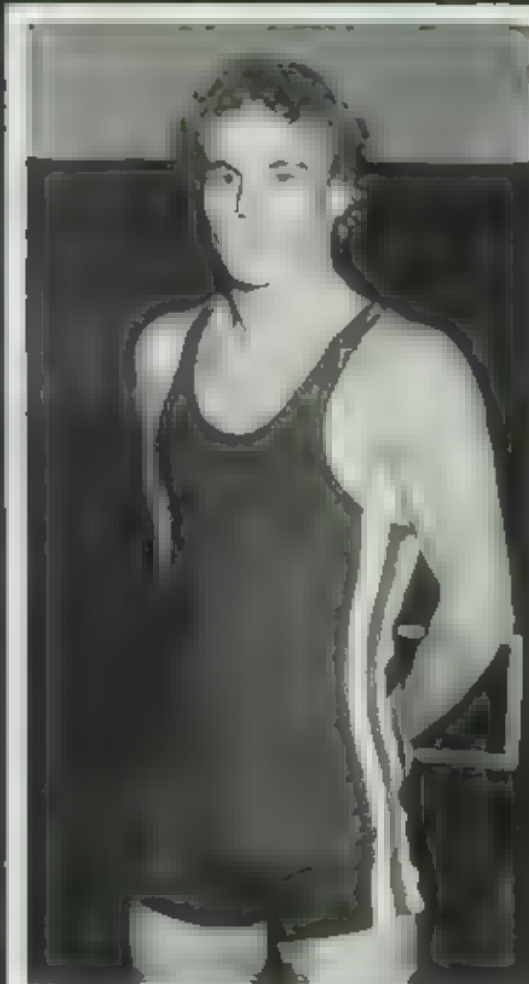

Green was picked as the Most Valuable Wrestler for the 1985-86 season. He earned special awards for leading the Monarchs in Most Wins, Best Winning Percentage, most Pins-Technical Falls, fewest Takedowns Allowed and Fewest Nearfalls-Pins Allowed.

Troy Nicol, Sonny Green, Kelly Thornton, Brett Grove, Ivan Mullett, were regional qualifiers. The state qualifiers were Sonny Green and Brett Grove.

BASEBALL FINISHES

The varsity baseball team posted a 14-11 record which was good for a 3rd place finish in the Central Buckeye League. Led by the hitting of Mark Clarridge who compiled a .416 average the Monarchs were able to boast that 6 of their regulars stroked the ball at better than a .300 clip. Darrin Miller hit .347; Jim Schneider was 3rd with a .321 average followed by Kevin Corbin at .315; Dennis Gallogly at .309 and Chris Schimmel at .301 rounded out the 300 hitters.

Monarch pitching was just as awesome. Brian Markle had the best record winning 5 and losing 2. He was followed by Kevin Corbin at 4-3 and Eric Howard at 4-2. The lowest E.R.A. of 1.92 was posted by Stacy Craig who finished with a 3-5 record.

At season's end, Mark Clarridge, the Monarch catcher was named to the 1st team All C.B.L. and to the 1st team All-Central district. Outfielder, Jim Schneider was also named to the 1st team All-Central Buckeye League. Brian Markle was named to the 2nd team All-CBL and Kevin Corbin was given Honorable Mention status.

The girls' track team finished the season with a dual meet record of 3 and 4. It was certainly a year for school records, considering that six new ones were set. They include Kristy Trees in the Shot Put (38' 2 1/4"), Chris Nichols in the 1600 m run (5:14.6) and in the 3200 m run (11:01.61), Jill Shumway in the 800 m run (2:24.63), Nicole Elmore in the 300 m hurdles (46.64) and the team of Chris Nichols, Becky Hutchins, Diana Bushong, and Jill Shumway in the 3200 m relay (10:13.0).

Kristy Trees in the Shot Put and Chris Nichols in the 3200 m run were the CBL Champions, and several members finished very well in the state meet. Chris Nichols was second in the 3200 m run, Kristy Trees was seventh in the Shot Put, and Nicole Elmore was ninth in the 300 m hurdles.

Team awards went to Chris Nichols — most valuable and Bev Shirk — most improved. Chris Nichols also received the all-district and all-state awards.

Andrea warms up

For a team which started mostly underclassmen, this year's Varsity softball team did exceptionally well. After a disappointing loss to Big Walnut in the season opener, the Lady Monarchs picked up seven straight wins before being defeated by North Union. After twenty games were played, the girls came out with 13 wins and 7 losses overall, and 13 wins and 6 losses in the league to place them in a tie for third in the CBL.

Individual honors included All-League of first team selection of members Wendy Landon and Pam Gould, Second team members, Michelle Green and Jodie Hyland, and Honorable Mention, Laura McMahon and Jenny Winters. At the season end banquet, three players were honored with special awards. Jeannie Kruse had the highest batting average, swinging an explosive bat at .443. Laura McMahon was honored as the Most Improved Player for her pitching efforts, and Wendy Landon was chosen by her teammates as the Most Valuable Player for her expertise at third base.

MARYSVILLE MARCHING MONARCHS

The Marysville Marching Monarchs began the 1985-86 season, once again under the direction of Mr. Robert B. Day with a week of hard work at Camp Clifton. The week consisted of hours of practice drills, section rehearsals, full band rehearsals and the first formal freshman initiation ceremony. The hard work paid off however with a successful marching season.

The band marched in several parades, including the Circleville Pumpkin Show, the Secret Santa parade in Columbus and the homecoming, Christmas and Memorial Day parades in Marysville. The band also performed at Cedar Point and then spent the day enjoying the park.

A small pep band, nicknamed "The Beer Barrel Band" was also formed this year to try to boost enthusiasm at the football games and to welcome the other schools.

The 85-86 season holds many memories for the graduating band members. Among these are writing and teaching Senior Show, exciting bus rides, pre-game band spreads and most of all the friendship circle the final evening at band camp. It was truly a fun-filled successful season.

Katrina Dohnel, Sean Thompson, Leah Palestrant, Chris Timmons and Kerry Conrad composed the Novice Debate Team

Touted as the winningest team at MHS the 1986 edition of the Marysville Debate team could not live up to their previous records. It is true that they qualified for the state tournament for the sixteenth year in a row, a feat that is matched by only Centerville High School of Dayton. It was also true that they were considered to be a seeded team in the NFL finals but fell from the winner's bracket in the third round.

The year started off with Barry Elk and Dawn Smith as the top team. They attended the Golden Knight Tournament at Toledo, St. Francis and were ranked in fourth place which qualified them for the State Tournament. However the next five tournaments saw the Marysville squad eliminated in the preliminary rounds.

During the second semester Karen Knight replaced Barry Elk on the top team and Marysville's record began to improve. Finally in the district tournament the team of Smith and Knight compiled a 5 win, 0 loss record and qualified for the State tournament.

The most consistent performer was David Lucas in Lincoln-Douglas. Never placing lower than fourth David maintained his excellent record throughout the year.

The novice team started their competition at the Delaware Hayes Tournament where they were victorious. In spite of a little team dissension they posted a winning record.

It was indeed a frustrating year. A year that has to be considered a rebuilding one.

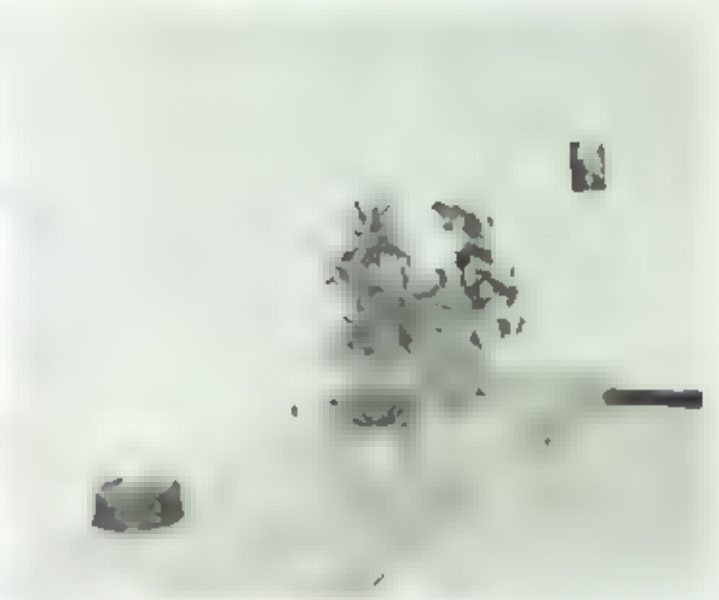

David Lucas led the team in victories competing in Lincoln/Douglas

DEBATE PEOPLE

Mrs. Cary, President of the Roman Forum

On April 1, 1986 as in every year since 1974 Mrs. Cary's room was transformed. This year it took on the appearance of the Roman Forum. The senior members of the AP Calculus class were busy as beavers the night before and on this page you can see some of the results. Pictured below Mrs. Cary are the culprits of the escapade. The question everybody asked was "Did you have class that day?" Sure did, as you can see by the bottom pictures. In Mrs. Cary's class you learn that nothing interferes with that day's scheduled activities.

The National Honor Society began the 85-86 year under the direction of a new advisor, Mrs. Betty Wolstenholme. There were a few changes this year, the biggest being the decision not to induct sophomores into the Marysville chapter of the NHS.

The formal induction ceremony was April 14, 1986 with the master of ceremonies Kelly Thornton. The program included an address by guest speaker Dr. James Biehl and was concluded with dessert in the cafeteria.

The annual NHS field trip was April 16. It included a trip to the zoo, the play "The Man From LaMancha," and a buffet dinner at the Holiday Inn.

Throughout the past year the Marysville FFA has been very busy! They kicked off the year with the All-Ohio Balloon Rally and Air Show and Old Timers Days. Next came Fruit Sales, the Bloodmobile, Judging contests, State and National Conventions, the annual banquet, camp, the Washington Leadership Conference, and finally to round out the busy year, the Union County and Ohio State Fairs.

The Marysville chapter won the BOAC (Building Our American Communities) and Safety regional awards, had six State Degree recipients, placed as one of the top ten chapters (out of 356), and received various other prestigious chapter and individual awards

Catseye

Catseye is a student magazine produced each year by the Catseye staff, who, under the direction of Mrs. Anne Skidmore, compile poems, stories, drawings, and photographs done by MHS students. These writings are collected in the spring, printed during the summer, and offered to the students in the fall. The money needed to print The Catseye is obtained not only from the annual magazine sales but also from various fundraisers like carnation sales

The seventh annual trip of the Scuba Club was a bit different this year. Traveling the Key Largo, Florida instead of the Bahamas. The group, consisting of five adult chaperones, 16 MHS students and nine students from the Worthington area, spent four days snorkeling and diving in the John Pennekamp Coral Reef State Park studying the sea life that inhabits the reef, as well as land afternoon at Miami Beach, one full day at either Disney World or the Epcot Center, and over 60 hours on the bus. With the exception of a few rainy nights in leaking tents and a flat bus tire on the way home, the trip was a successful one. The students returned home with a greater knowledge of the underwater life, memories of many new and special friends. The trip was truly an educational and exciting one!

Mr. Ed Starling

A new addition to the guidance department this year is Ms. Connie Toland. Her experience as a guidance counselor at Cambridge High School has helped her fit in perfectly here at Marysville. Aside from handling her share of the students Ms. Toland also helps with the college application and financial aid process.

We also introduced a new counseling system this year. Instead of handling students by grades the counselors are assigned to them alphabetically. In other words, Mr. Starling has students with the last names beginning with A thru G, Mr. Edgar has H thru P, and Ms. Toland has Q thru Z.

Mr. Tom Edgar

LIBRARY

This was a year for additions and improvement in the library, according to Mrs. Patton. One of the most noteworthy additions is Newsbank, a news service on microfiche which, unlike microfilm, is a sheet containing hundreds of articles from newspapers around the country. Mrs. Patton knows of no other high school in the area to offer this program — a valuable asset for us. This program, which was obtained by a career education grant found by Mrs. Oberlin, was so widely used that several new categories will be added next year.

In addition, other reference holdings have been increased substantially, and the library is now subscribing to approximately 45 magazines and 20 newspapers.

Mrs. Patton noted that circulation has increased this year and also that many more classes are using the library due to the improved reference section.

Curtains were also added to the library this year, an improvement for both appearance and comfort.

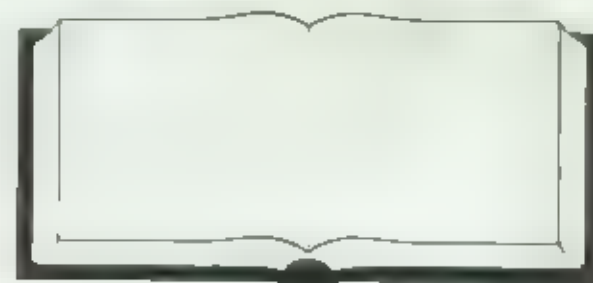

Mrs. Patton firmly believes that, considering the limits of space in the library, we are developing an excellent collection of books.

1986 saw the introduction of an "In the Know" team to MHS. "In the Know" is a quiz competition for Central Ohio high school students. Those who qualify are eligible for participation in the state competition — a televised event on WOSU Channel 34

This first year's team did very well considering their lack of experience and preparation. It was organized during the second semester, and practices were held four times per week, both before and after school. They later traveled to several meets and even qualified for the semi-final competition

Although they failed to reach the finals they have high hopes for next year's team, which will have the benefit of the valuable experience gained this year.

ENGLISH

It used to be that English was the writing part of the "3 r's." Today that concept has broadened so that English includes a little grammar, a little writing, a little history, a little philosophy, and a little speech communication. English has become the foundation upon which all other education is based. Marysville is fortunate to have one of the premier English departments in the State

Offering a variety of experiences it is difficult to single out specific incidences afforded Marysville students. There are two highlights however: when the AP English class and the Speech class attended the Otterbein College production of "Taming of the Shrew" to see for themselves what Shakespeare had produced so long ago. The season highlight was the Columbus Museum of Art trip by the Honors Jr. and Sr. classes

Another innovation at M H S. came about when the Speech class started reading the morning announcements. The school day started a little brighter

SCIENCE

MHS Science Department

1986 brought new classes, new teachers, and new projects to the science department. Semester long courses in practical physics, earth science, and anatomy were offered for the first time, and biology was available to freshmen as well.

Mrs. Ellen Gerber, a newcomer at MHS, teaches biology and anatomy.

1986 also saw the return of Halley's comet for the first time in 76 years. Mr. Junker planned several comet-viewing escapades and one night, with the help of the school telescope, several of his students were finally able to "see the light." It was truly an exciting and memorable experience for those who participated.

In the spring approximately 10 outstanding physics and math students attended the annual OSU Math/Science Day at the Ohio State Campus. The many workshops offered gave the students the opportunity to see new ideas at work and to get a valuable taste of college life.

The 85-86 school year proved to be an excellent year for the students of Mrs. Ohnsman's junior steno block class. During the year they took courses such as typing, accounting, filing, office machines, and shorthand. With the help of Mrs. Ohnsman, Miss Carlson and each other, it was a very successful year for everyone

The 1985-1986 Senior Intensive Office Education Class had a very memorable and rewarding year. The class was instructed by Miss Linda Overly who was also their Club Advisor. The class officers were President — Heather Jeffers; Vice-President — Angie Stafford, Secretary — Jill Scheiderer; Treasurer — Jackie Price; and Historian — Amy Black. The Senior IOE girls were involved in numerous fund raisers throughout the year. This money went towards various activities: field trips to Farmers' Insurance Group and Nationwide Insurance Company, Christmas gifts for the Senior Citizens at Milcrest Nursing Home, and their Annual Spring Banquet which was held in May at the Mt. Victory Plaza Inn where they were recognized for their outstanding achievements throughout the year. The money also went towards sending several of the girls to the Ohio Office Education Association Competition at Ohio Hi-Point Joint Vocational School in February. Members of the competition team were as follows: Heather Jeffers who won first place in Typing and Related III and advanced on to the State Competition, Kim Balsiger who won third place in the same category and also advanced on to the State Competition, Jackie Price placed fourth, Amy Black received a fifth place plaque, Carol Dellinger placed seventh in General Clerical II and Patti Banks was also a participant. Congratulations to those girls who were part of the competition team.

The memories and knowledge that each of us gained this year will be very rewarding in our future careers. The Senior IOE class would like to express their sincere thanks to Miss Overly for all her help and guidance throughout the year. She has helped us shape our goals and has set an example for all of us to follow.

With the theme "Around the World in a Night" and close to \$4000, the Juniors had a good time building this year's prom. Even with work, school activities, and a social life, many juniors still managed to come help work on the prom. We were able to splurge and spend some of our hard-earned money on specially designed glassware, enough for 400 place settings.

All of this wouldn't have been possible if it wasn't for our very own Mr. Mark Kreis. Not only did he provide fabulous music for the prom, but he also managed to get pizza for the hard workers. We also thank Mrs. Avanelle Oberlin, our class advisor, for making the class of eighty-seven so awesome!

SENIORS

The Class of 1986

Even with our notorious lack of "Senior Privileges" 1986 proved to be a rewarding year for the seniors.

On April Fool's Day we transformed Mrs. Cary's room into a Roman Forum complete with togas, Italian food, and Roman architecture.

The '86 afterprom was called "Monte Carlo Night" and featured food, dancing, and "gambling." And thanks to candy sales and donations from the parents it was a success.

The annual Senior skip day centered around a trip down the Mohican River, with over half the participants getting wet!

Many of us will also remember such things as toilet papering Mrs. Cary's house, the notorious "3-day legislation," the names carved on the bench in the senior locker mail, the courtyard escapade on the night of the last day of school, and cheering for Erin McCracken at graduation.

On a larger scale in 1986 we witnessed the tragic space shuttle explosion, the American attack on Libya, the Reagan/Gorbachev peace talks, the blockbuster movies "Rambo" and "Back to the Future," the comeback of Bruce Springsteen as "the Boss," Hands Across America, and the renovation of the Statue of Liberty for her 100th birthday.

All in all it was a wonderful year, and we wish the Class of '86 the best.

Real Seniors

- get out of bed 10 minutes before school starts
- don't know the definition of the word homework.
- are taller than freshmen.
- know by March exactly how many days of school are left.
- don't eat school lunch.
- don't hear morning announcements.
- have dogs that often eat their homework

- know what happened over the weekend by 8:00 am Monday
- had Senioritis in September
- don't start research papers until the night before they're due
- drive to school
- worry more about the graduation party than they do about the graduation
- are too cool for their boring town
- never tasted quiche

GRADUATION

June 8, 1986 had nothing in store for us but beautiful weather and fond memories

The ceremony began at 3 p.m. as thousands of proud parents and friends gathered in the stands and 161 relieved seniors marched in to "Pomp and Circumstance."

After a few welcoming words from Mr. Pleasant, Candy Geyer delivered the class president's speech and Laura McMahon presented her valedictory address. Commended students were Laura McMahon, Lisa Rardin, Carol Einch, Beth Bright, and Kevin Carson

We were also blessed with the vital presence of our classmate Erin McCracken, who had been involved in a near-fatal car accident several months before

Before we knew it we were walking to the platform to receive our diplomas, pausing only for a handshake, a smile, and a quick adjustment of the tassel

All in all it was a marvelous day for the class that was born in '68 and graduated in '86

Mr. Day conducts the Marysville Band in the traditional Pomp and Circumstance

Laura McMahon delivers the valedictory address prior to the awarding of the diplomas

Candy Geyer, President of the class tells about the good things that happened to this class

Salutatorian Lisa Rardin receives her diploma from Bill Galloway, President Marysville Board of Education.

Cindy.
You're a really great friend.
You were great to drive w/in
August, and you're great in English.
Good luck in everything you do
in the future.

Love,
Margaret

Cindy.

To a great friend and person
that I hope to stay friends
with for a long time, even
though I've only met
you this year. I'm ^{sorry} glad

I did love,
Great luck in the future! Laura

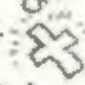

Cindy,
To my favorite and funniest
friend and cousin to be around!
I know will always be cousins
and I'm sure will always
be best friends. Do you know
that next year will be the
"Big Time" SENIORS! I can't wait!
Well, good luck with all the
quips, and like everyone else
say - I hope all your dreams
come true. Have lots of fun but
you better beware! (Cause you
can't get in trouble yet cause
we've just begun to live!)

B/F/F Love you Wendy

KEEP
SMILIN'

Cindy,
your one
of my friends.
I can do it in the future.
Isn't it exciting?
Study hall
I hope things
are better
in the future.
Love Missy

Cindy,
In case I didn't
know, I'm writing
this w/ your pen!
You are one terrific
girl I just met this
year and I'm glad I
did. 
Love ya,
Becky

~~Cindy~~

Cindy,
To the nicest
girl I just
met you a very
nice girl

Love ya,
Beverly

Cindy,
Hey, I'm the first to write
in the back! I hope this isn't
messy since I'm writing on the
back. Well, all the
best.
